

Supt. Loughmiller Reports Teacher Need In Schools

Due to resignations and promotions in the Cameron Public School system Superintendent Wiley Loughmiller reports that he needs 1. Librarian for Ada Henderson 2. Sixth, Seventh and Eighth Grade Mathematics or Social Subjects teacher. 3. A second grade teacher 4. Third grade teacher and 4. Coach-teacher for Yoe High School.

He will also receive applications for secretary in the Superintendents office.

Mr. Loughmiller said that in the instance of several O. J. Thomas teachers who were called up for interrogation he found that the doubt about their abilities were unjustified and inferences to the contrary were possibly based on personality conflicts. Loughmiller went into their qualifications thoroughly and found that in each instance there was no cause to discount their ability.

Grand Jury Indictments Include Fixtures

McClaren Names July And August Primary Judges

Milam Democratic Chairman, Max McClaren, has released the names of managers in the precincts for the July and August primaries as follows: CAMERON No. 1, B. J. Matocha; CAMERON No. 2, Claude Triggs; C. R. Y. Frank B. Durnie; SALEM, Roy Law; AD HALL, Ed Schmidt; ELM RIDGE, H. J. Schattler; RICE SCHOOL HOUSE, H. B. Pressley; MINERVA, Gib Terry; MARLOW, John Hobson; MAYSFIELD, W. C. Cooper; JONES PRAIRIE, Hugh McKinney; BAILEYVILLE, J. M. Askew; BRANCHVILLE, Mrs. Alice Harlan Cole; CLARKSON, Mrs. John Matyastik; BRIARY, Horace Bozeman; BELMENA, Jesse Hickman; MILANO, Henry Anthis

GAUSE, G. R. Varner; HANOVER, C. M. Pierce; ROCKDALE, Rev. F. T. Sager; NEW SALEM, Walter E. Fischer; BETHLEHEM, Mrs. J. D. Delahanty; MARAK, John Marak, Jr.; YARRELTON, Jim Mann; NORTH ELM, E. A. Russell; SALT, Hugh Caffey; CONOLEY, J. H. Pritchard; WATSON BRANCH, Bernard Barber; THORNDAL, Tom Beard.

Lad Drowns In Stock Tank On Farm Of Grandparent Sunday

A stock tank on the farm of Mr. Thomas Franklin Yates of Ben Arnold was a scene of tragedy Sunday when the body of his grandson was taken from its shallow water.

Little Johnny Franklin Brewer, age 7, and some other youngsters had been playing in and around the tank when one of them came to the house and announced that "Johnny is in the tank." Upon investigation the youngster was found partially submerged and was beyond reviving. No reason for the drowning could be determined by the grandfather. The deepest water would have been no more than waist deep to the youngster he said.

Funeral services were held for the lad Monday at 3 p.m. from the Marek-Burns Funeral Home with Rev. P. L. Caperton officiating and burial in Clarkson cemetery.

Surviving are his parents, Mr. and Mrs. James Ulicnik and his half brother James Bennett Ulicnik of Cameron; his brother Garvin Eugene Brewer of Cameron; his paternal grandparents, Mr. and Mrs. Robert Brewer of Corsicana and his maternal grandparents, Mr. Thomas Franklin Yates of Ben Arnold.

Milam Drought Committee Seeks Relief On Crops

To: Chairman Texas State Drought Committee
From: Milam County Drought Committee

Subject: Drought Conditions in Milam County

Weather and crop conditions in Milam County have been far below normal for the 1956 crop year. Sub-moisture conditions have been critical since 1950. We are at present in the most critical situation we have likely had since 1925.

Since January 1st to date we have had 10.66 inches of rain fall with an accumulated deficit of 9.87 inches as compared to the same period in 1955. These extreme variations from normal have resulted in a drought condition which is already a major disaster for Milam County farmers and ranchers.

A survey of crops and livestock conditions made by the Milam County Drought Committee reveals the following conditions:

Hay - yields will be 15 percent or less of normal.

Corn - yields will average 10 to 12 bushels per acre on corn that is harvested. However, a small acreage has already been converted into silage because of poor yield. 50 percent of the acreage will not be worth harvesting at all for grain.

Oats - Less than 10 percent of the acreage of oats in the county was actually harvested for grain. The rest would not pay the combining. Yields on harvested acreage averaged 8 bushels per acre.

Pasture: Temporary pastures

MILAM DROUGHT on back

Gause-Hanover Road Boosted By Delegation Work

by James E. "Bo" Patterson

On June 21 a group from the Gause-Hanover area of Milam County met with State Highway Department officials in Austin on behalf of a farm road connecting their communities.

The delegation spokesman was Gene "Dixie" Walker, an erstwhile professional baseball player who "tags every base" but doesn't stop until the umpire calls "You're out," or is safe on base.

"We are grateful, said Walker, to live in a country where the right to appeal is never denied to anyone," and with this statement before the Texas Highway board he launched into his statistics to show the efforts of his group to get approval of their project on other occasions and to show the economic loss to their community by not having a passable all-weather road.

In a letter from D. C. Greer, state highway engineer, which referred to their visit Greer said, "Careful consideration has been given by the Highway Commission to the presentation made by your delegation on June 21 The Highway Commission directed that you be advised that it will indeed be their pleasure to give further consideration to this request at the time we are in the process of forming a new program of secondary roads. It is now anticipated that such a program will be formed in the early fall of 1956.

Please accept our sincere thanks for bringing this matter to the attention of the Commission. This letter was signed by Greer and a carbon copy was sent to Judge Charles C. Smith, Jr., E. H. Thornton, Jr. Marshall Formby, Herbert C. Petry, Jr. and John E. Blair.

Grand Jury Returns Scathing Indictment Of Jury Facilities

Twenty one indictments and ten of injured party in instance of theft of a lawn mower from a hospital.

W. F. Sharpe charge in the shooting of Buford "Preacher" Hill at a Cameron tavern was set aside because of lack of witnesses.

Lafe Graham of Rockdale was no billed on a charge of assault and attempt to murder his wife.

Bobbie Lee Wuensche was no billed on felony theft charges in the alleged theft of tires from the Rodenbeck Auto parts and Supply Company of Thorndale.

Mrs. Lyndon Locklin, charged with assault with intent to murder her husband in Thorndale, was no-billed.

The most severe indictment coming out of the April term of the Milam County Grand Jury Wednesday was that presented by the Secretary, Jack Dubois and signed by the entire board was against courtroom facilities at See GRAND JURY on back

Eddie Andrew Jensen felony theft.

John Wesley Porter felony theft. G. H. Peel forgery and passing forged instrument.

Norris Thompson two counts for forgery and passing forged instrument.

Valvert Thompson forgery and passing forged instrument.

NO BILLED: Herman L. Burns of Houston and Rockdale was no billed on charge of wife desertion.

Charges of Sodomy against C. L. Sadberry were dismissed and he was no billed.

Joe Allen White, charged with felony burglary was passed. He is also wanted in Harris and Henderson counties. The Milam Jury will await action in these counties before further investigation.

A. J. Cloer, driver of a Pure Milk Company truck which was involved in an accident on the Little River bottoms bridge near Cameron in which the lives of four members of a Rockdale family were lost was given a clean bill. The collision was declared to be entirely accidental and unavoidable, on the part of the driver.

Clarence Blaylock no billed in felony theft.

Ed Crummer no billed at request.

Gaited Horse Show At Yoe Stadium July 20

The Cameron Saddle Club Horse Show to be held in Wilson Ledbetter Park at 2 p.m. on July 20 was the subject for discussion at the last meeting of the club at its hutment in the park with about forty members present.

Committees for the show made progress reports stating that all is apparently in readiness.

Horses must be on the grounds at the park at 1 p.m. on July 20 the committee reported. A big parade will be held downtown at 5 p.m. and the Gaited Horse Show will be at Yoe Stadium at 8 p.m. A large number of horses are expected to be entered in the shows.

Fourth Dusek Drug Raider Evades Radioless Police

The Dusek Pharmacy in Cameron was entered for the fourth time in five years Friday morning July 6, by an intruder in search of narcotics.

Experience has shown the proprietors the wisdom of keeping their narcotics in a safe deposit vault in the bank next door however and so the burglar had access only to mild codeine mix pills for headaches, a stock valued at about \$25.00 was taken.

An amount of money was left in the cash register Thursday night and only the bills were taken. Other than this nothing else in the store was missed, an owner stated.

On a former occasion the entire stock of narcotics was taken from the firms safe.

Night Chief of Police William Brandenburg, was summoned at about 2:15 after the night watchman noted the front door glass had been completely shattered. Some of the glass from the door was found near the center of the store.

Due to the lack of radio equipment in the police cars it was some fifteen or twenty minutes from the discovery until help could be summoned by the night watchman. He had noticed a "Tall thin man" leaving the vicinity of the store moments before the discovery.

It was believed that a getaway car was parked a block or so away from the store but in the absence of quick means of communication the burglar left with no trace for police to follow once they were on the job.

Alvin Dusek, a co-owner of the Pharmacy, was notified at 2:30 and the State Department of Public Safety Identification Division was notified via Rockdale Police Radio, after Chief Willie Dolan was gotten out of bed to okay the long distance call.

The Identification officer was in Cameron early Friday morning but by that time the trail was very cold.

BO PEEPS

By James E. "Bo" Patterson
Heard a waitress at the Czechoslovak Society of America meeting recently turn in an order for Field Manager, Frank Cizek, "A beer for a short Czech."

Don't know what some people who telephone 14 and get 24, which is the number of the Milam County Democratic Committee, now in the office of the Herald, have thought when they ask, "What's on at the show?" and get the answer, "Darned if I know." Our home phone used to be similar to a taxi company. A See PEEPS on back page

Warehouse, Records, Food, Recipients Ready Judge Smith Not Ready Surplus Food In Milam Held Up For "New Order" That "May" Come

C. L. Yount presided at a "quickie" meeting of Milam Commissioners Court Monday in the absence of Judge Charlie Smith who was in Austin as witness in an income tax trail of Knox W. Ramsey in federal district court there.

Questioned on progress of surplus food commodity program adopted by the court for Milam County in April none of the Commissioners were aware of any of the details of the program. The court had given the judge full authority in the operation of the program.

Judge Smith has stated that all records of eligibility would be ready in April. Now, as July wears on, these records in readiness, it was pointed out to the commissioners that the Judge is "holding up" for a new order which will simplify bookkeeping

in the dispensing of the food-stuffs. Commissioner Raney of Buckholts demurred that it was his position that he would be glad to take the responsibility and the "Criticisms" of constituents (who might be displeased with getting less than another on the rolls) to get the program started. He felt that the order which the judge has hopes of getting, which would eliminate "classes" and give all who are eligible the same amount of commodities would be the best for all concerned however.

Smith was away from Cameron due to his appearance, in an Austin trial in which "Doc" Ramsey a Temple gambler, is on trial for alleged income tax evasion in his 1950 report. The Milam County Judge had been counsel in an oil lease transaction in which Ramsey was a party.

Major D. Shapiro Commands 448th Hospital Unit

David Shapiro of 1000 N. Harding St., Cameron, is one of the more than 600 Air Force Reservists who reported Monday for two weeks of active duty at the reserve center in Mississippi with the 448th Fighter Bomber Wing of Hensley Field, Grand Prairie, Texas.

Shapiro, a major in the USAF Reserves, is commanding officer of the 448th Tactical Hospital. In civilian life he is physician and surgeon at Newton Clinic in Cameron.

This year the Lone Star Wing is holding its first two-week summer active duty tour away from Hensley Field. Personnel and equipment were transported by bus from the Texas reserve flying center to the Mississippi base.

Pilots flew the F-80 "Shooting Stars" and T-33 (jet trainer) planes to Gulfport in flights of four.

Mission of the 448th Fighter Bomber Wing is to defend that portion of the Southwest within a 300-mile radius of Hensley. Reservists, all on pay status while training, also train one weekend a month - usually the third one - to maintain their proficiency as "ready Reserves."

First-string teams of the 448th are the 711 Fighter Bomber Squadron (the Lucky Throw Squadron) stationed at Hensley and the 713th Fighter Bomber Squadron at Muskogee, Oklahoma.

Sandy Creek Revival Begins Friday July 20

A Gospel Meeting is to begin at the Sandy Creek Church of Christ July 20, 1956 at 7:30 P.M. Every one is invited. Bro. Harris will preach.

Eight Day Revival Begins At Milano Baptist Saturday

An Eight day revival will begin at the Milano Baptist Church, on Saturday night, July 14. Prayer services are scheduled at 7:30 with the preaching and song service starting at 8 o'clock.

Rev. Claude Ellis, pastor at the Milano church will bring the evangelistic messages. He has been at the Church for the past seven weeks. Rev. Ellis is working on his degree at Baylor University.

Max McClaren, music director at the Meadowbrook Baptist Church in Rockdale, will direct the song services at the revival. He received his BA degree from Baylor this spring.

Don Bullock, son of Mr. and Mrs. Joe Bullock, also a student at Baylor University will serve as pianist. The revival will continue through Sunday night, July 22.

Rev. Ellis extends a cordial invitation to all to attend the services.

Resignations popped all over the Cameron Independent School District last Thursday and immediately on the heels of the "evacuation" came school board action, in extra session, Thursday night electing J. R. "Dick" Young to be principal of Yoe High School Leon Brady to fill the vacancy left by the promotion of Wiley Loughmiller as principal of Ada Henderson elementary school. He was given an assistant to be in charge of the Ben Milam school as "Principal Teacher", Mrs. C. W. Hudson.

Hezekiah K. Harnsberry was selected to fill the vacancy left by the resignation of C. L. Sadberry as principal of O. J. Thomas, colored schools.

Mrs. Jackie Clement resigned as secretary to the Superintendent. Her position was not immediately filled. In her letter Mrs. Clement stated that she would not ask to make her resignation effective until a successor had been oriented to the work and the files. This position will be filled by Superintendent Loughmiller.

Each of the three vacancies in Principalships were filled at the board meeting with each of the elected men present.

J. R. "Dick" Young, who had earlier applied for the position of Superintendent, in accepting the Yoe High Principalship said "I will be loyal to the school and as they say on the farm will 'Make a good hand'". His salary was placed at the Gilmer-Aiken plus \$900 level with a two year contract, effective July 1.

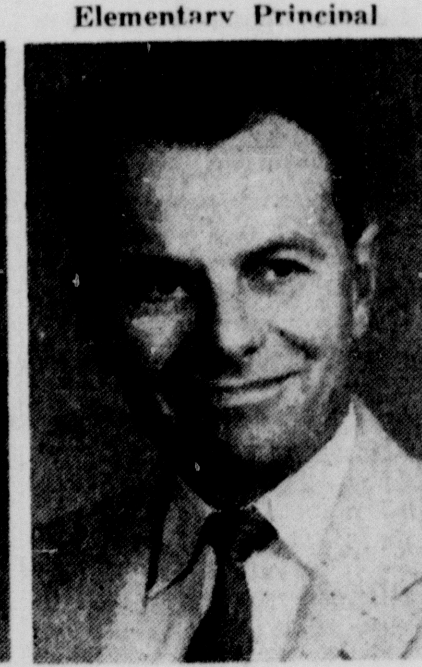

Young, 45, is a native of Corsicana and took his B.A. at Central

Morgan Layfield

J. R. "Dick" Young

Leon Brady

H. K. Harnsberry

tenary College, Shreveport in 1934 and his M.Ed. at Texas A and M in 1952.

Beginning his teaching career at Thrall in 1934 as coach and principal, Young came to Cameron in 1941 as assistant line coach, in '43 thru '47 was Yoe High Principal and head football coach. In '48 he resigned and after only a few months decided to return to the system as coach and school room teacher.

Leon L. Brady, 38, was born in Georgetown and took his B. A. in 1940 at Southern University.

He has been elementary teacher at Buckholts, teacher in Buckholts High, and for several years has taught and assisted Loughmiller for the past year as principal turn to Buckholts, in the 1954-55 term. The action Thursday night

however will bring him back to Ada Henderson.

Brady served for five years during the second world war in the ETO as an Army Medic. His two year contract became effective as of July 1 at the Gilmer-Aiken plus \$600 figure on a ten month basis. He will manage both cafeterias.

In accepting the position Brady said "Mr. Loughmiller has taught me a lot in the last few years." "We have a good school and I do my part to make it better."

H. K. Harnsberry, in Cameron for a convention of the Lincoln Association meeting of the Baptist Church, upon reading an account in the Cameron Herald of the fact that C. L. Sadberry principal of O. J. Thomas was under fire as to his fitness for the position of

Post Oak High School at Ledbetter in Lee County. He took all of his schooling from High School principal of O. J. Thomas made a few inquiries of board members and on the assumption that a resignation of Sadberry might be in the offing was present at the time of the board meeting and found that the resignation was already in the hands of the president of the board H. B. Pressley. His credentials in hand showed that he had been principal at Texas City in 1923 and '29, principal for three years at Branchville, Milam County, operated a G. I. School at Bryan and assistant principal at Anahuac. For one year, while taking his MS work at Prairie View was on the Dean of Men's staff. For the past three years he has been principal at

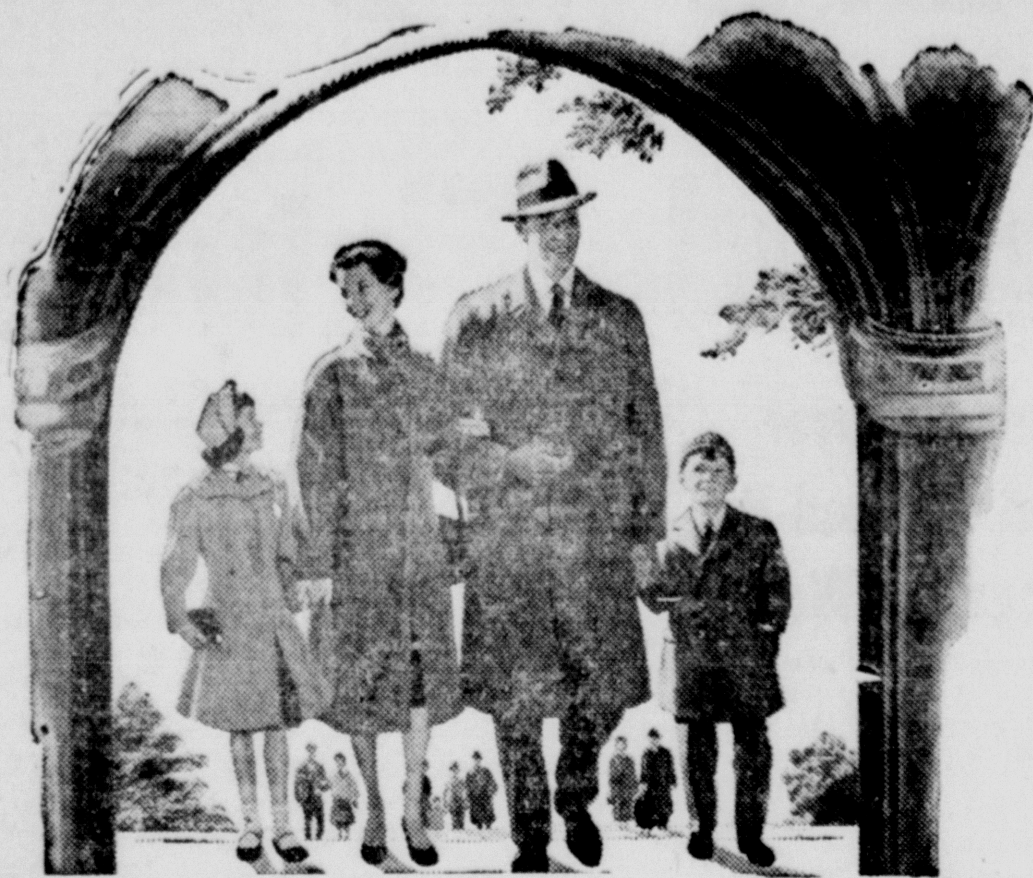

through his B.S. at Prairie View Normal near Hempstead.

Asked what his views were on the problem of integration the new principal said "I feel that it will take a long time in coming into being." "I will follow the ruling of the board in any problems affecting the school."

Board member Max Howard noted "We feel that our colored school has been neglected and now our plans call for a fine plant and we want a real administrator for the job." Harnsberry rejoined "I'll do my best to give the children at O. J. Thomas what I gave my six boys."

A schoolroom replacement for Principal Young and for Mrs. Morgan Layfield will have to be located by the board.

He restoreth your soul.

Billy Reddehase On Navy Shore Duty In Washington State

Billy Ray Reddehase, now in the U. S. Navy has arrived in Tacoma, Washington after a visit with his parents, Mr. and Mrs. H. W. Reddehase of Ben Arnold. He finished his boot training in San Diego, California and will now be stationed in Washington for shore duty with the Pacific Reserve Fleet. He is a 1954 graduate Yoe High.

Daniel Family Pitches In For Price In Politics

When U. S. Senator Price Daniel campaigns for Governor, it's a family affair. Daniel's wife, four children, sister and brother are all playing an active role in his campaign for the Democratic nomination for Governor.

Mrs. Daniel, the former Jean Baldwin of Houston, is the great-granddaughter of General Sam Houston, so her Texas political heritage runs a long way back. She has been helping her husband campaign since they were married on June 28, 1940.

when he was in the midst of a race for re-election to the Texas House of Representatives.

This summer she has been with the Senator on many of his campaign tours, and on some occasions has had their four children along to meet the people and help pass out literature. The oldest son, Price Jr., 15, has an eye on a political future himself. The other Daniel children are Jean, 13 Houston Lee, 10, and John Baldwin, 8.

The Senator's sister, Ellen Daniel, is a volunteer worker at State Campaign headquarters in Austin. She has also traveled with the family.

Their brother, former State Rep Bill Daniel of Liberty, is chairman of the Senator's statewide Speakers' Bureau and has made scores of speeches and personal appearances in behalf of Price Daniel's candidacy.

Social Security Representative To Be In Cameron Tuesday

The regular visit of the Social Security Representative to Cameron, Texas, will be Tuesday, July 17, 1956. You are invited to contact this representative at the Department of Public Welfare at 1:00 p.m.

Buick Special
4-Door Riviera

It's only July—so why miss the fun?

(It's a great time to buy a Buick!)

IN ALL TRUTH — when would be a better time to buy your new Buick than right now?

When else could you drive home a better bargain — with your present car now worth more than it ever will be again — and while Buick prices are within easier reach of more people than ever before?

And when else will there be better weather — more hours in the day — more yen for going — more places to go — more fun on tap — more sports in season?

So you get the most good, and the most car right now in a new Buick...

Because the new Buick you boss today is far and away the best Buick yet...

Because simply seeing this Buick beauty standing before your door is enough to spark your spirits...

AIRCONDITIONING
at a COOL NEW LOW PRICE
It cools, filters, dehumidifies.
Get 4-Season Comfort in your new Buick with genuine
FRIGIDAIRE CONDITIONING

Because, eager as a colt in clover, it can barely wait for key and throttle to turn loose the boundless power of its big 322-cubic-inch V8 engine that revels in running...

Because it spices every moving moment with sweet-riding joy that makes even the simplest errand an enjoyable excursion...

And because you relax in the wide open spaces of its rich interior — while Variable Pitch Dynaflo* performs its pace-making magic with a smoothness matched nowhere else on wheels.

So why waste time?

Come let the Buick you could be driving show you what wonderful sense it makes to buy in July.

Come now — the model that matches your ideas and dollars may be ready for delivery this very week — and at a whale of a fine deal too good to pass up.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century — optional at modest extra cost on the Special.

Best Buick Yet

News From Milano

MRS. DAN ROBINSON

Another wreck on highway 36 just below the viaduct in Milano in which Mr. Pete Standly was injured he was from Liberty community he was crossing the highway when struck by a car driven by a lady going to San Antonio. Mr. Standly had a cut on his forehead and a bad fractured knee. He was carried to St. Edwards Hospital in Cameron the lady was not hurt. Both cars were badly damaged.

Mr. and Mrs. J. D. Peebles have returned home from a vacation spent in Mex City. They report having a pleasant visit. Mr. and Mrs. Charlie Talbot accompanied them on the trip. They drove to McAllen where they then took a plane to Mex City. Mr. and Mrs. Talbot remained there for a longer visit in which they will see some sight-seeing and fishing.

Mr. and Mrs. Lloyd Woods and children are vacationing in Colorado and other places of interest. Mrs. O. H. Roskey of Christman was a guest in the home of Mrs. Dan Robinson, Thursday.

Mr. and Mrs. Barnett Durall of Dickinson were visiting his mother, Mrs. Sam Duwall here last week.

Visitors in the home of Mrs. Maggie Miller last week were Mrs. Jim York of Cameron, Mrs. Clayton Miller of Arlington, Miss Barbara York, and Miss Joan Morgan of Gause, Mr. and Mrs. Doll Hartly of Liberty, Mrs. Kate Miller of Houston, Mr. and Mrs. Billy George Miller and son of Hearne.

Mrs. Mary Peebles of Rockdale spent the weekend in the home of Mrs. Dan Robinson while her daughter, Mrs. Clyde Franklin a funeral of a relative in Colorado

City.

Mrs. Dan Robinson has returned home from a pleasant visit several days in west Texas. While there she visited in Benoit. Miles Miles Ballinger and San Angelo. She was accompanied by her daughter and son-in-law Mr. and Mrs. Author Moore of Temple. Mrs. Kate Miller has returned to her home in Houston after a visit here with Mrs. Maggie Miller. They attended the home coming at Liberty on July 1.

Mrs. W. E. Thomas has returned home from a 3 weeks visit with her children at Houston, Jacksonville and Waco.

Miss Linda Gerdes of Caldwell is a guest here in the home of relatives.

Mr. and Mrs. Ray Corbin made a visit to Troys to see a sick brother-in-law July 4, and found him a very sick man.

North Elm Voters To Cast Ballots At Russell Home

Voters of the North Elm Precinct will vote at the home of E. A. Russell, election manager in that precinct for both the July and August Primaries.

The school house has been moved from the community, Mr. Russell reported and he has asked that the voters of that precinct vote at this home. The law prescribes that elections shall be held at a public place but if there are none, can be held in some other building, Art. 2.03 of the Texas Election Code.

Voters are asked to bear this in mind and vote at the Russell home for the July and August primaries.

City Police Equip For Finger Printing; Prisoners Cut Weeds

A complete report of arrests and fines collected in June by the Cameron Police Department are as follows:

ARRESTS: Drunk 11; Disturbance 3; Simple Assault 2; Speeding 3; Failure to Maintain Proper Control 5; No Drivers License 8; No License Plates on car 1; Ran Red Light 2; Ran Stop Sign 1 for a total of 36 arrests.

FINES COLLECTED on drunk charges \$174.50; Disturbance \$64.50; Simple Assault \$15.00; No Drivers License \$101.00; Speeding \$107.50; Failure to maintain proper control of vehicle \$40.00; Running red light \$10.00; Running stop sign \$5.00 for a total of \$517.50, with a balance of unpaid fines \$175.50 due in July.

Police chief Willie Dolan has

Hammond Urges Emergency Hay For Texas Farms

Texas Farm Bureau President J. Walter Hammond has urged Governor Allan Shivers to request an emergency federal hay program for drought-stricken Texas livestock producers.

In a telegram to the Governor, Hammond said the present federal feed grain assistance program is inadequate to meet the existing need for roughage for cattle.

"I strongly urge that you request Secretary of Agriculture Benson to institute adequate direct subsidy payments to eligible producers in Texas drought-designated counties," Hammond wired the Governor. He suggested that county ASC committees could determine eligibility of producers.

"Direct payments would permit purchasing of hay on the open market," Hammond said. "This would expedite the hay program and reduce administrative costs."

now installed in the office of the police department a complete finger printing equipment.

Three men in the city jail Wednesday chose to work rather than lay out their fines in jail and so were put to work cutting grass and chopping weeds in city parks.

The Texas Farm Bureau president said that his organization "deems immediate action necessary to enable producers to retain foundation stock and to prevent a disastrous run on the market."

Eligible producers in drought-designated counties are able to buy feed concentrates under the present emergency feed program. Livestock producers and dairymen can get \$1 per 100 pounds reduction for feed fed to foundation herds. Feeds eligible for payment include corn, maize, barley and rye.

Hammond said that such feed concentrates did not meet needs of livestock for a "filler" feed such as hay.

Farm Workers Prompted To Check Security Accounts

Mr. James B. Marley, manager of the Austin District Office, urges all workers to check their social security record to see that all their 1955 wages have been reported and credited to their account. He especially urges all of the farm workers who were paid cash wages of as much as \$100.00 from one employer in 1955 to check to see that each of their employers reported their wages. Because valuable retirement and insurance protection is based on covered earnings, every worker should know the status of his account and what he and his family

can expect from this protection. Mr. Marley further advises that a special printed postcard, used to request the earnings statement, may be obtained from the nearest office, located at Austin.

When your earnings statement is received from the social security accounting office in Baltimore Md., check it against your personal records. If the statement is not complete or correct, contact the social security office so that immediate action can be taken toward correcting your account. Failure to take this action may reduce the amount of monthly benefits payable to you or your survivors since all benefits are based on your "average" earnings.

Mr. Marley states that the social security office has pamphlets which will help you estimate the amount you and your survivors will receive. Other informational material of interest to farmers

and farm workers, household workers, employees of state and local governments, the self-employed, and many others are also available.

Girls Softball Rivalry Increasing

The rivalry between the two girls' softball teams, the Indians and Dodgers, seems to be increasing week by week. The Dodgers now lead for the pennant with four games to three and one tie.

Now! An Air-Conditioned Ford for less than the cost of many medium-priced cars*

ONE CONTROL DOES IT!

A single lever gives you either heating or cooling with Ford's new air-conditioning system. For cool air, just move the lever to the left. For warm air, move it to the right. And all mechanical components are mounted in the engine compartment—no luggage space is wasted.

Ford's SelectAir Conditioning brings the comfort of refrigerated air within reach of nearly everyone!

If you have the old-fashioned notion that only millionaires can afford the luxury of an air-conditioned automobile, here is the best news you've heard in months: with Ford's new SelectAir Conditioning, you can drive a 1956 air-conditioned Ford V-8 for not one penny more than many cars in the medium-price field without air conditioning!

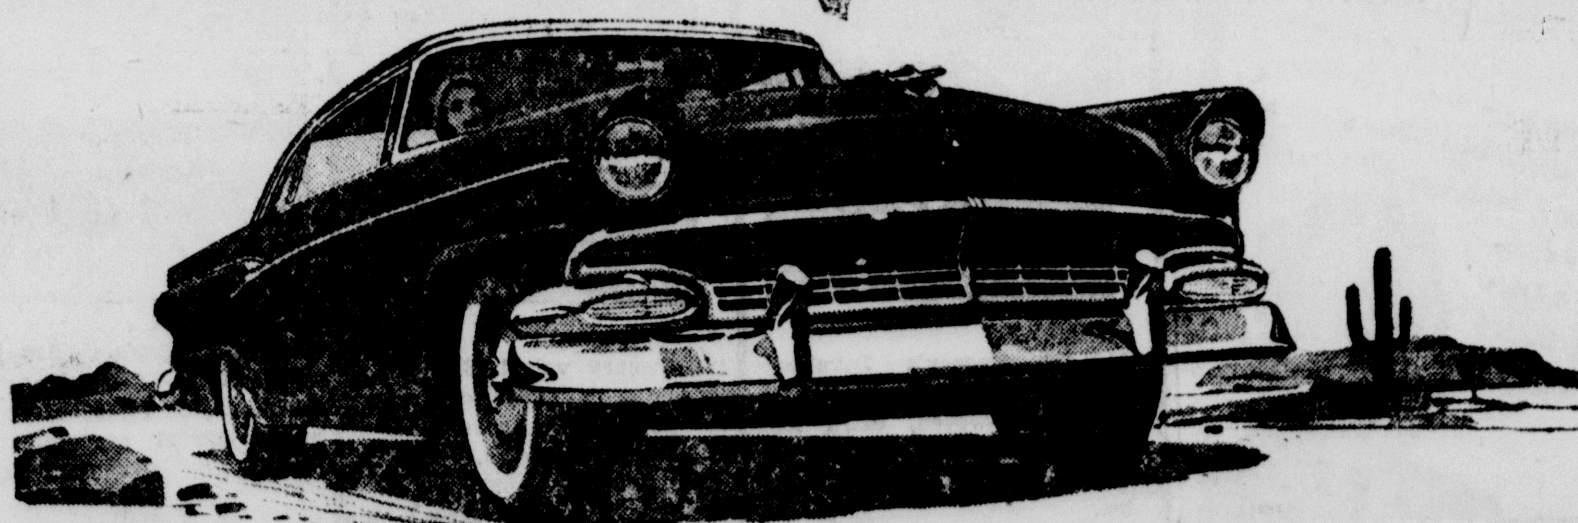

You'll never know just how pleasant motoring can be until you've Test Driven a SelectAir Conditioned

Ford. Not merely a "cooler" but a 100% air-conditioning system, this unit circulates refrigerated air constantly. Whether you're headed cross-town or cross-state, you'll arrive as cool and fresh as tomorrow... and driving will be fun again!

Your optional Ford SelectAir Conditioner will be installed by a refrigeration specialist. And you can forget about a conventional heater. This Ford unit gives you everything in one: cooling, heating, defrosting and de-fogging. Best of all, you can have a Ford V-8 with air conditioning for less than many other fine cars cost without it! See us for a Test Drive... today!

*Based on a comparison of suggested list prices.

Pol. Adv. Pd. For By Jack Prescott

OUR SOIL ★ OUR STRENGTH

Ed Talasek, Central Texas district cooperators, recently completed 1.3 miles of channel type terraces on oat stubble land. They empty on a Bermuda grass waterway. In addition to terracing and contour farming, Mr. Talasek is carrying out a conservation crop rotation which includes Hubam sweetclover for soil conditioning. Five miles of channel type terraces have been completed last week on district cooperators W. E. Collan's farm near Eddy. His production of forage for his herd conservation program stresses the of Santa Gertrudis cattle. Hubam sweetclover, small grain, sudan grass and grain sorghums make up his conservation rotation.

Arville Schmidt, cooperators in the Buckhorn community, is constructing three terraces on his fifty acre farm. The terraces are being constructed on the north part of this farm on land that has a two percent slope, to stop sheet and gully erosion. Schmidts using a maintainer to build these terraces. They will out let onto a Bermuda grass water-

way that was sodded last year. This is only one of several conservation practices Schmidt is applying on his farm to meet the needs of the land.

Mr. E. A. Perrin, a Central Texas district cooperators near Cameron, has a very good field trial that shows the value of proper seed bed preparation and fertilization in establishing Coastal Bermuda on the mixed Blackland soils.

He worked the soil good before setting out the sprigs in the early spring. Plant competition has been kept down by grazing and shredding. In spite of the drought he has a stand that should make complete cover with a few fall rains.

About 30 pounds of nitrogen was applied to each acre at planting time, except on a few rows that were left for observation. Where the fertilizer was applied the Coastal Bermuda runners average about two feet in length. Where no fertilizer was applied the runners will average about three inches in length.

Former Yarrellton Couples Fiftieth Anniversary Noted

Mr. and Mrs. Thomas Walter Garrett, formerly of Yarrellton and now of Bryan were feted with a Golden Wedding Reception at the home of a daughter, Mrs. R. D. Todd, 506 Restwood in Bryan, Sunday, July 8.

In the houseparty were Miss June Wiley and Mrs. M. A. Bell in charge of refreshments. At the refreshment table were Mesdames Harold Newton, Odell Hudson, Frank Meads, Clarence Todd, Joe Malazzo, Bill Vance and Bill Hudson.

At the guest register were Mary Todd, Julia Lindley.

The table was covered with gold net over taffeta table cover with and green arch decorated with yellow carnations. A crystal punch bowl on a silver tray. A three tiered anniversary cake was topped with gold bride and groom. Candies and nuts were in crystal containers.

Co-Hosts and hostesses were Mr. and Mrs. Joe Hawk of Rosebud, Mr. and Mrs. John Garrett, Mr. Mr. and Mrs. John Garrett of Ft. Worth and from Bryan were Mr. and Mrs. Henry Garrett, Mr. and Mrs. Pete Garrett, Mr. and Mrs. R. D. Todd, Mr. and Mrs. Roy Garrett, Mr. and Mrs. Robert C. Garrett. Two daughters and five sons of the group. Twenty three grandchildren and eight grandchildren.

From out of town were: HOUSTON Mr. and Mrs. S. E. Bowman, Mr. and Mrs. G. W. Cooke and daughter, Mrs. Allie Shuffield, Mr. and Mrs. V. W. Hawk and daughter, Mr. and Mrs. Arthur Lee Sanders and family, Mrs. LeRoy Lewis, CAMERON Mrs. Salie Garner, Mrs. Rodney Fontaine and Karen, Mr. and Mrs. Grady Allen.

ROSEBUD Mr. and Mrs. Raymond Kosel, Mr. and Mrs. Frank Kruse, Mr. and Mrs. Billy Ray Hawk and children, Mr. and Mrs. V. W. Hawk and daughter.

Mrs. Joyce Goza of Atlanta Georgia, Mr. and Mrs. C. C. Hill of Baytown; Mr. and Mrs. John Garrett of Ft. Worth; Mr. and Mrs. Johnnie Hawk and son of Crosby, Texas and Mr. and Mrs. G. C. Todd of Caldwell.

Veteran Yank Hurler Fikes Drubs Braves

Carroll Fikes, the Yanks veteran pitcher, was in rare form Friday night as he whitewashed the Braves in their league game 8-0. He struck out a total of ten men, but issued free bases to three batters. His teammates combed the offerings of the Braves Pitcher Herbert Thewatt for seven solid hits and three bases on balls for their total of eight runs. The Yanks

scored two runs in the first inning none in the second and five big runs in the third inning and one in the fourth.

Allen Boyer was the catcher for the Yanks while Gerry Corbin was the catcher for the losing Braves.

Criswells Return To Buckholts After Extensive Travel

Mr. and Mrs. C. R. Criswell of Buckholts have just returned from a three weeks visit spent in New York. They were accompanied by Mrs. Criswell's sister, Mrs. Geo. Goree, who left New York by plane on the 29th for Europe where she plans a six weeks tour of the European countries, and their niece, Mrs. Dallas Johnston of Houston. High among the points of interest was a visit to Andrew Jackson's home "The Hermitage," Mammoth Cave of Kentucky, and Lincoln's birthplace in Tennessee. They visited Yale University and Women's Wellsley College also.

In New York they sat in on a United Nations conference.

In Radio City they attended a Dave Garraway morning program.

The Criswells reported rain during their New York visit made the weather pleasant.

Crosby Family Reunion Sees Thirty Together

A reunion of the Crosby family was held at the homes of the Swanzys 1002 E. 6th. Street and the Greens at 1005 E. 7th, on July 7 and 8.

Seventeen gathered by Saturday night and thirty were present by Sunday.

Barbecue chickens with all the trimmings was served. Pictures were taken of the entire Cooper family of thirteen; another of the oldest and one of the youngest in the group.

The oldest was Mrs. Henry McCoy and the youngest was little Raymond Craddock Green.

Those in attendance were from Houston, Crosby, Dallas, Clarksville, Taylor, Bartlett, Rockdale and Austin.

White Sox Whitewash Indians 17-0

Everything the Indians did Friday night was wrong and everything the Whitesox did turned to gold. It was simply an off night for the Indians as they were defeated by the White Sox, 17-0.

The Sox struck like lightning and they scored nine big runs in the very first inning off of Indian pitcher Bob Demke. Added two more in the second, six in the third.

The Sox's pitcher Patterson did struck out five Indians and issued only one walk.

The Standings: WHITE SOX played 3, won 2, lost 1, tied 0; YANKS played 3, won 2, lost 1 tied 0; BRAVES played 3, won 1, lost 1, tied 0; INDIANS played 3, won 0, lost 2 tied 1.

Mrs. Mille Krall's guests Sun-

Pilgrimage To First Methodist Chapel Planned

The annual historical pilgrimage to McMahan's Methodist Chapel, the first Protestant church founded in Texas, is being planned for Thursday, July 29th. The Chapel is located in Sabine County, eleven miles east of San Augustine. Those participating in this year's pilgrimage are reminded to bring a picnic lunch.

The service will begin at 10:00 A.M. The outstanding feature of the celebration will be the dedicatory sermon to be delivered by Bishop A. Frank Smith, resident bishop of the Houston area of the Methodist Church, and the dedication of the new chapel building. The Rev. Richard Jenkins, pastor of the First Methodist Church of San Augustine, will be in charge of music. The welcome address will be given by the Rev. E. O. Dubberly, Nacogdoches District Superintendent. The Rev. C. A. West, pastor of First Methodist Church of Center and president of the Texas Conference Historical Society, will preside.

McMahan's Methodist Chapel was first founded in the home of Col. Samuel Doak McMahan in September 1833 and soon grew to be one of the leading religious and civic centers.

White Hospital in Temple. His mother is the former Mary Kolodejak of Cameron and is a graduate nurse of S and W. His father is J. A. Becker of Temple. A brother, Jerome Anthony, one year old, was on hand. Grandparents are Mr. and Mrs. F. R. Kolodejak of Cameron and Mr. and Mrs. A. Becker of Temple. Great grandparents are Mr. and Mrs. V. V. Mayer of Cameron.

Linda Massengale of Freeport who is visiting Mable Ruth Tyson was taken to the hospital Wednesday. Her parents Mr. and Mrs. Elbert Massengale arrived that night. Linda was improving Friday night.

Mr. and Mrs. Frank Tyson of Kingsville arrived Friday night to attend the wedding of his sister, Mabel Ruth.

Mrs. John Thweatt is on the sick list this week.

Mrs. Dock Thweatt and children and Mrs. Herbert Thweatt and children went to Waco Thursday.

The revival meeting is in progress at Maysfield every one is cordially invited to attend. Rev.

Byron Price of Wewka, Okla. is doing the preaching. He is a former pastor of the local Presbyterian church.

Incentive Payments For Wool Announced

Wool producers will get an incentive payment equal to 44.9 percent of the net proceeds of the wool they marketed during the 1955 marketing year, says A. B. Wooten, extension economist.

The national average price to producers for shorn wool marketed from April 1, 1955 through March 31, 1956 was 42.8 cents a pound, grease basis. To bring this average up to the incentive level of 62 cents a pound for the marketing year, Wooten says 19.2 cents a pound will be added to the national average.

Here is how the amount of incentive payment is figured. Example: If the producer sold 1,000 pounds of wool which netted him 55 cents a pound, his net proceeds would be \$550. \$550 times 44.9 percent (incentive rate - \$246.95 which would be his incentive payment.)

In the case of lambs and yearlings sold for slaughter, in the wool, and during the 1955 marketing year, payment is figured at the rate of 77 cents per hundredweight of live animals. This rate, according to Wooten, was determined by multiplying the average weight of wool per hundredweight of animals (5 pounds) by 80 percent of the 19.2 cents (difference between incentive and national average for 1955).

Since the national average price for mohair was above the announced support level, no payment will be made to producers on their 1955 marketings, says Wooten. Local ASC offices, on July 2, commenced releasing payments to wool producers, adds the specialist.

District 4-H Camp At Brownwood Lake From July 16-18

The District 4-H Club Camp will be held at Brownwood Lake, July 16-18. Each county in the district is supposed to have a Horticulture Demonstration Team for the first night program. We have selected two boys from Burlington 4-H Club, Eldon Schonhoeft and Joseph Futschik, to give a demonstration on Controlling the Pecan nut Casebearer.

There will be about twenty boys and adult leaders from Milam county that will attend the camp. Wednesday morning, July 4, the Ass't. County Agent helped Rex McClaren trim his calves hooves. We used the equipment that the County Commissioners Court purchased for the 4-H Club members. Mr. Monroe let Rex use his shute that he has built for trim-

ming cows and large calves hooves. Mr. Monroe has been very nice about letting club members use his facilities and we certainly do appreciate it.

Thursday, July 5, we visited James Cargill's Sears gilt at Davilla and knotted the ears of four pigs that are out of William J. Cargill's sow. The sow was a Sears gilt last year.

We also visited Carroll Wen Glaser, near Buckholts, to see his calf and Sears Boar pig.

We have received the registration papers on the Sears litters and on the two Farm Bureau litters. If the owners will come by our office, they can pick up the papers.

Saturday morning, July 7, we helped Carroll Wayne Glaser trim his calves hooves.

Marlow Manhunt On July Fourth Has Happy End

An intensive manhunt in the wooded area of the Marlow Community took place on the Fourth of July.

Monroe Dees, 36, who lives with his grandmother and who has suffered an extended illness which has hospitalized him from time to time.

A neighbor came after him at about six a.m. to do some light chores which he had contracted to do when it was found that he was missing. He was wearing only his pajamas with nothing on his feet.

The search started soon after with the force of searchers growing with the day and at about 1 p.m. Carroll Green who was leading the Cameron Saddle Club in the search found him under a shade tree.

It was felt that Dees got excited when he noted the large number of people combing the woods and from his tracks which in some stop were easily traced he had redoubled his steps on numerous occasions. Dees was unscathed.

Katy Park Plans Jinx Night On Friday Thirteenth

Some outstanding baseball entertainment awaits fans who go to Katy Park Friday and Saturday nights of this week.

The Waco Pirates will be playing the league-leading Corpus Christi Clippers both evenings. Game time Friday is 7:30 p.m. There will be a double-header Saturday starting at 7:30 p.m.

Friday night will be "Jinx Night". It is Friday the Thirteenth and fans are invited to bring out horse shoes, four leaf clovers, rabbits feet and other good luck charms for their favorite Pirate players.

ORDER of the MILAM COUNTY ROBERTSON COUNTY JOINT AIRPORT ZONING BOARD

WHEREAS, pursuant to the order of this Board dated May 17, 1956, there was created an Airport Zoning Commission which did on the 19th day of June 1956, make its preliminary report relative to the adoption of airport zoning regulations of Hearne Airfield, Hearne, Texas, between Milam County, Robertson County Joint Airport Zoning Board for the purpose authorized by Chapter 391 of the Acts of the Regular Session of the 50th Legislature of the State of Texas, 1947; and

WHEREAS, public hearings were held by said Airport Zoning Commission on June 19, 1956, on said preliminary report, and thereafter, on the same day, did submit its final report to this Board; and

WHEREAS, it appears to this Board that Chapter 391 of the Acts of the Regular Session of the 50th Legislature of the State of Texas, 1947, requires that this Board hold a public hearing on said final report of the Airport Zoning Commission at which hearing parties in interest and citizens shall have an opportunity to be heard, regarding the airport zoning regulations proposed to be adopted for Hearne Airfield, Hearne, Texas; NOW THEREFORE, pursuant to the provisions of Section 5 of Chapter 391 of the Acts of the Regular Session of the 50th Legislature of the State of Texas, 1947, it is ordered that a public hearing be held before this Board on the 31st day of July 1956, at 7:30 P.M., at the City Hall, Hearne, Texas, for the purpose of hearing all parties in interest and citizens who desire to be heard on the final report of the Airport Zoning Commission proposing airport zoning regulations for Hearne Airfield, Hearne, Texas, to be adopted by this joint Board.

IT IS FURTHER ORDERED that this Notice be published in the papers of general circulation in Milam County and Robertson County.

This 28 day of June, 1956.
MILAM COUNTY, ROBERTSON COUNTY JOINT AIRPORT ZONING BOARD
BILL PALMOS, Chairman 15-2tc.

Lone Star Gas Advances Three Scholarship For

Three Dallas men have been advanced to new positions in Lone Star Gas Company's General Division of Distribution which includes operations in more than 300 Texas and Oklahoma towns. The changes are effective July 1. H. D. Portwood has been named to the newly created position of Assistant to Vice President H. L. Bird whom he will assist with administrative work and with operations of four regional areas in Texas and Oklahoma. The group does not include the Company's distribution operations in the metropolitan areas of Dallas and Ft. Worth.

R. E. Reading will succeed Portwood as superintendent of distribution for General Division and Louis B. Hulcy will succeed Mr. Reading as chief engineer for the division. Hulcy moves up from the position of control engineer.

All three came up from the ranks. Portwood started in 1925 as an engineer on construction, served subsequently as construction superintendent, chief engineer and had been superintendent of distribution since 1954. Mr. Reading joined the Company in 1939 following graduation from Texas A. and M. He worked as a roddman and junior engineer in Transmission Engineering and was named research engineer in 1941, distribution engineer in 1946 and chief engineer for his division in 1954. He received his master's degree in mechanical engineering in 1946.

Hulcy is a graduate of Texas A. and M. at Kingsville and joined the Company following graduation in 1939, as a storekeeper in Cleburne. He served as manager of Grand Prairie distribution operations from 1941 to 1950 when he was transferred to Dallas as a field engineer in distribution. He was named control engineer for General Division in 1955.

Mrs. Mary Kostiha Dies At Buckholts Saturday, July 7

Mrs. Mary Kostiha, 89, died Saturday, July 7, at 3:45 a.m. at the home of her son, Joe Kostiha in Buckholts.

Mrs. Kostiha was born Dec. 15, 1867 in Czechoslovakia and had lived in Buckholts for 56 years.

Services were held at 8:30 a.m. Monday at St. Cyril and Methodius Church at Marak with Rev. Rasael Gerskovick officiating. Burial was in the Marak Cemetery.

Rosary was said Sunday night at 7:30 at the Marek-Burns Chapel.

Survivors are her one son Joe Kostiha; one daughter, Mrs. Mary Pastaka of Rosenberg, Texas and sixteen grandchildren and twenty great grandchildren.

Cameron Guards Are In For Hot Spell In Bell-Coryell

By Lloyd Albertson

The officers and enlisted men of Battery C, 649 th departed early on Sunday morning, July 8th, for North Fort Hood to begin their annual two weeks of summer field training which, according to advance forecasts by both the weatherman and the training schedule, is very likely to be hot and rugged.

Battery C's attendance this year was almost one hundred percent. Only a very few of the local Guardsmen were unable to participate.

The Guardsmen left the Army here in Cameron about 8 a.m. They made the trip to North Fort Hood in a motor convoy of jeeps, 2 1/2 ton trucks, M-16 half-tracks

and M42 40 mm. gun tanks. Also a commercial bus transported some of the men. They arrived at their North Fort Hood camp area about three hours later and immediately began setting up quarters for their two weeks' stay.

Their first weeks' training, which will largely be conducted in the camp area, will include recruit training in the fundamentals of close order drill, guard duty and other basic subjects. There will also be practice firing of carbines, "grease guns", rocket weapons. The first week of training will be climaxed by the huge Governor's Day parade on Saturday morning when the 49th Division's array of armor will pass in review for Gov. Allan Shivers.

Battery C also reported that just prior to its departure for summer camp it enlisted four new members and re-enlisted three others. The new members were listed as Billie J. Haddock, Charles F. Davis, Robert L. Brantley and Lewis S. Caddell. Re-enlisting were Sergeant First Class Paul L. Sheguit and Thomas R. Sheguit, and Sergeant Layton D. Scott.

Requiem High Mass Held June 30 For Mrs. Frances Hundl

Funeral services were held for Mrs. Frances Hundl, 84, on June 30 from the Marek-Burns Funeral Home with burial in St. Monica's Cemetery, Reverend George Duda and Rev. Kallus officiated in the Requiem High Mass at St. Monica's Catholic Church.

Pallbearers were: Adolph and Laddie Vesely, Marvin and Ernest Horelica; Donnie and Joe Hundl Jr. all of whom are Mrs. Hundl's grandsons.

Mrs. Hundl was born June 18, 1872, in Czechoslovakia, the daughter of Frank and Mary Mikes. She came to America in 1892 and settled first in Flatonia later moving to Shiner and Cameron.

She was married to A. F. Hundl February 17, 1894, in Praha, Texas. They celebrated their sixtieth anniversary in February.

Her survivors are: Her husband two sons, Frank and Joe Hundl of Houston; four daughters, Mrs. J. Annie Vesely Shiner, Mrs. Millie Horelica of Houston; Mrs. Ernest Henrietta Polzer and Miss Lillie Hundl of Cameron. 14 grandchildren and 12 great-grandchildren. One sister, Mrs. Antonia Miller of Czechoslovakia.

Among those attending the last rites were Mr. and Mrs. J. J. Vesely, Mrs. Jim Fait Sr. of Shiner, Mr. and Mrs. Adolph Vesely and family, of Alice; Miss Henrietta and Willie Vesely of Cor-

the award this year. During the past year, Fisher, a sophomore at Baylor, was a member of the Baylor Golden Wave Band and the Baylor Concert Band. He was a member of Kappa Kappa Psi, National Honorary Fraternity for College Bandsmen and Pi Kappa Delta, National Debate Fraternity. Fisher was also a radio announcer for KYBS, the Baylor radio station, and was co-winner of the \$100.00 "Glen Capp Best Freshman Debater Award" after winning 20 out of 22 debates in collegiate competition.

Yoe Grad Of '55 Gels Baylor U. Bank Scholarship

Wayne Fisher

Wayne Fisher of Cameron, who graduated from Yoe High School in 1955, won the \$1000.00 Banking Scholarship awarded by the Citizens' National Bank of Waco for the second consecutive year. The scholarship pays room, board, and tuition to Baylor University in Waco and is awarded to the Central Texas student who is judged "Most Likely to Succeed in Banking." The scholarship is given yearly to two graduating seniors and one is eliminated at the end of the first year. Fisher was one of two students winning the scholarship last year. William Gwen Kelley of Pecos, Texas and John Gilliam of Clifton, Texas, were the high school seniors winning

Jeanette Hicks And Leroy Bowley Wed In Houston Church

The marriage of Miss Jeanette Arlene Hicks and Leroy Veal Bowley was solemnized Saturday evening June 30, in a candlelight ceremony in Bethel Temple Church in Houston with Rev. T. F. Burrow officiating.

The bride is the daughter of Mr. and Mrs. W. R. Hicks and Mr. and Mrs. W. V. Bowley are parents of the groom.

Given in marriage by her father the bride wore a gown of chantilly lace and nylon tulle over white satin. Garlands of lace motifs cascaded down the front and back and swept into a wide cathedral train. A pearl and rhinestone tiara held a full train length veil of tulle and chantilly lace. She held a bouquet of orchids and Stephanotis.

Mrs. J. T. Robinson accompan-

ed as Mrs. Daisy Kolbe sang "I Love You Truly".

The bride's attendants wore waltz-length gowns of tulle over satin in orchid, blue, pink, and yellow.

Mrs. Ada Lu Stewart was matron of honor and Miss Deloris Bowley was maid of honor. Both sisters of the groom.

Bridesmaids were Miss Arnette Darlene Hicks, the bride's twin sister and Miss Sharon Hicks another sister. Other bridesmaids were Maria and Margie Garland, twin sisters, Joyce Conley, Lillian Nimitz.

Little Miss Renelda Gay Harris was flower girl and Little Frankie Payne was ring bearer.

Best man was Alton Burrow. Groomsmen were Lloyd Mitchell, Johnny Richerson, John Conley, Tommy Payne, Eddie Stewart and Billy Bowley cousin of the groom.

Candlelighters and ushers were Weldon Rhodes and G. W. Harris.

Out of town guests included Mrs. James Simms of Elton, West Virginia, Mr. and Mrs. Leo Placky and son Carroll, Mrs. Minnie Harris, and Mr. and Mrs. M. E. Weems, grandparents of the bride all of Cameron and Mr. and Mrs. Fred Shoaf Rosenberg.

Assisting at the reception held at the home of Mr. and Mrs. Weldon Rhodes, aunt and uncle of the bride were: Theresa Burrow, Panda Keller, Martha Logan, Shirley Burrow, Gladys Sorshy, and Barbara Duewall.

Following the reception, the bride and groom left on a wedding trip to Austin. The bride wore a blue linen suit with white accessories.

She attended Reagan High. The bridegroom is a graduate of Jefferson Davis high school and an all Greater Houston Basketball star. He is a student at the University of Houston.

The couple will make their home in Houston at 1814 West 24 Street.

A. M. AIKIN, Jr.

Continuance of the farm-to-market road program in Texas to keep pace with growing needs is being stressed by State Senator A. M. Aikin, Jr., of Paris in his campaign for Lieutenant Governor.

"It was my privilege several years ago to be a co-author and sponsor of a bill that set aside fifteen million dollars each year to be used exclusively in the construction and maintenance of farm-to-market roads," recalls the veteran of 19 years in the Texas Senate and four years in the House.

"I sincerely feel that this has been one of the finest programs that has been adopted, and I know you will agree that it has done and is doing a lot of good for our people."

The co-author of the Gilmer-Aikin laws for public schools also feels that "our counties should receive some help financially from the state on purchase of right-of-way. The Commissioners Courts are being called on to furnish right-of-way for many projects, and it has grown to such proportions that some help must be forthcoming from some source. The burden is too heavy for the counties to carry alone. In many places the counties are being asked to make available three hundred feet right-of-way across the entire county, and they are just not able to do it. However, I want it strictly understood that he control and the securing of right-of-way shall be left in the hands of the Commissioners Courts."

Senator Aikin's platform includes proposals for greater improvement of the state hospital system and greater discretion for the hospital board in the matter of salaries to maintain adequate staffs; a workable water conser-

Mrs. Gillis Graham Honors Miss Sara Esslinger Recently

Miss Sara Esslinger, bride-elect of Richard Wilkinson, was honored with a miscellaneous Kitchen shower at the home of Mrs. Gillis Graham recently. Seven guests were present.

Mrs. Graham was assisted by her daughter, Virginia.

Miss Esslinger's chosen colors, blue and white were featured in the decor.

Centering the refreshment table was an arrangement of white asters and blue netting. Plumbago was placed on the fireboard and the lowboy in the living room.

An umbrella showering paper raindrops and small kitchen utensils completed the theme.

Refreshments included open face banana nut bread sandwiches, Mexican wedding cookies, salted nuts, frozen pineapple chunks and stuffed prunes. Kabobs and punch floating with cherries frozen in ice.

Guests were Mrs. Eldon Batte, Miss Martha Collins, Miss Kate McLane, Mrs. Porter Young, Miss La Verne Michalka, Mrs. Eugene Smitherman and the honoree.

The bride-to-be is the daughter of Mr. and Mrs. Andrew Esslinger.

EARL RUDDER

AUSTIN, Tex.—Earl Rudder, who has served as Land Commissioner since January 5, 1955, is seeking his first elective term in that office. Rudder's platform stresses two points: (1) Under his administration public confidence in the Veterans' Land Program has been restored; (2) The General Land Office is now operating under new and unprecedented efficiency.

Rudder took office shortly after veterans' land scandals first rocked the state.

He is a veteran himself - one of the country's greatest heroes of World War II. As a Ranger commander, Rudder on D-Day personally led his troops up the 100-foot-high cliffs of Normandy to destroy a German coastal battery. He was shot twice, but accomplished his mission.

General Omar N. Bradley, commander of U. S. Ground Forces in Europe, recently wrote in his memoirs that the D-Day assignment he gave Rudder was the most difficult he had ever given any soldier in his entire military career.

Rudder was decorated for bravery in action seven times by three governments - the United States, France and Belgium.

Rudder, the only veteran in the race for Land Commissioner, has been commended for his work in the Land Office by the American Legion and the VFW.

Rudder's first act on assuming office was a wholesale cleanup of

the veterans' land program. Not a single whisper of scandal in that program has been heard since. With legislative help, the program has been decentralized - a County Committee must now screen the veterans' transactions before they may be submitted to the Veterans Land Board, which Rudder heads. This control at the county level has greatly speeded up the cleanup, Rudder says.

Rudder also has restored order and efficiency in the Land Office. This office handles about \$84,000,000 of the public's money each year - mostly funds which support Texas public free schools, and the University of Texas. The money is derived principally from lease of public lands to oil and gas companies. Rudder increased the price which these companies must pay for such leases, thus helping the school funds. The permanent free school fund now totals about \$350,000,000, of which about \$48,000,000 or 15 percent of the total - has been collected since Rudder took office. Similarly, the University fund has been increased under Rudder's administration to over \$256,000,000. Just recently, over \$16,000,000 was added to this fund in one lease sale alone.

The Land Office houses thousands of priceless documents—land surveys, maps, etc. Rudder discovered on taking office that many of them were frayed and worn through neglect. These records are now being restored and preserved - and Rudder's methods have been praised and approved by a committee of the State Bar of Texas.

When Rudder became Commissioner, Land Office books and accounts were in many cases inconsistent. Rudder immediately requested a thorough audit of the Land Office by the State Auditor, and further requested that a continuing audit be maintained. On the basis of audits already completed, the State has profited substantially in collections on overdue accounts, etc. And, Rudder says, as future audits are completed they will serve as guides for further businesslike operation of one of the State's most important agencies.

Rudder was born at Eden, in

"HOWDY TO HOME FOLKS"—Democratic governor candidate Ralph Yarborough (at right), waves a "howdy" to hometown friends from the steps of Chandler's First Baptist Church, after a Sabbath pause in campaigning. At center is the Rev. Ed Lewis. At left are Richard Yarborough, the candidate's son, and Mrs. Yarborough.

Second, VA will arrange for educational or vocational counseling to arrive at a suitable objective, select schools and estimate costs. After this is submitted, VA may give its final approval for the training.

Dr. McMahan said that the new law also provides for special restorative training for children with physical or mental disabilities which would hinder pursuit of education.

In broad outline, Dr. McMahan pointed out, the children's scholarship program follows the structure of the Korean GI Bill for Korea veterans.

Father Of Soil Bank Decries "Guessing Game"

The president of the Texas Farm Bureau has declared that soil bank regulations had subjected cotton farmers to a "guessing game" and discriminated against farmers who guessed wrong in planting their allotments this year.

In a letter to Secretary of Agriculture Benson, TFB President J. Walter Hammond said that "the only possible means of dealing fairly and justly with cotton farmers would be to make soil bank payments on the basis of normal yields, regardless of whether or not cotton was planted."

He referred to drought areas where some farmers had dry planted cotton in order to maintain their acreage history. These farmers, he said, could receive only the minimum payment of \$6 per acre for land put into the soil bank. On the other hand, he pointed out, other farmers in the same drought area who did not plant any of their cotton allotment acreage could receive payments based on their normal yields.

Appraisal committees ascertain yield of planted acres put into the soil bank. In areas where cotton did not come up, the yield is automatically appraised at zero. The \$6 per acre is a minimum payment for cotton under soil bank regulations.

Hammond said that his office has received many complaints from drought areas protesting the "discriminatory" regulations against farmers who planted their allotments.

He asked Benson to investigate the possibility of a misinterpretation of regulations by the state ASC (Agricultural Stabilization and Conservation) committee. He added that in case the committee had made a correct interpretation, the regulations should be changed to enable all cotton farmers to take advantage of soil bank benefits.

Texas Share Of August Draft Call 639 Men

The August draft call for Texas asks for 639 men, compared to 641 for July, Colonel Morris S. Schwartz, state Selective Service director, announced Thursday.

This is the state's share of a national call for 13,000 men, all for the Army.

At the same time, Colonel Schwartz announced an August call on approximately half the state's draft boards for 1,134 men to take pre-induction physical and mental examinations for future calls.

He said that the boards not receiving a quota for these examinations in August already had been called upon to furnish men for examination in July.

Local board calls for August induction and pre-induction examination were mailed from state Selective Service headquarters on July 3.

The August quota will be filled with men who are 22 years of age or older on July 1, with the exception of delinquents, or volunteers, who may be younger.

Colonel Schwartz said he expected the August call to be filled with volunteers and men without children. He said delinquents are liable first, but the boards do not have many delinquent men.

As in the past, the state Selective Service director warned all young fathers they must advise their boards about children or an expected child.

"If a local board is not advised about the birth or expected birth of a child," Colonel Schwartz said "the board naturally proceeds on the idea such a man is childless, and he is therefore ordered for service."

FARM BUREAU BEAUTY CONTESTANTS

Martha Jean Hanke, age 17, daughter of Mr. and Mrs. Ernest Hanke, Buckholts, Texas, Route 2. Senior in Buckholts High School. Member of F.H.A. Chapter Football sweetheart, F.H.A. sweetheart, Cheer Leader in Pep Squad.

Peggy Ann Inge, age 16, daughter of Mr. and Mrs. Arthur Inge, Buckholts, Texas, Route 2. Junior in Buckholts High School. Member of F.H.A. Chapter. Member of Hope Lutheran Church, Buckholts, Texas. Active in Lutheran League of her church.

Mrs. Sidney Culp First Milam Jury Commissioner

Mrs. Sidney Culp, a farmer lady from the Sharp Community, made history Tuesday by being the first Woman Jury Commissioner in the history of Milam County.

Summoned for the July term of County Court for the purpose of selecting petit jurors and such other juries as may be deemed necessary for the September 1956 term and succeeding terms Mrs. Sidney Culp, Gordon Baskin and Walter Lester, both men of Cameron were drafted as county jury commissioners Tuesday.

Mrs. Culp with her husband and one son John Allen live on 300 acres on the Little River, Buckholts Rt. 1.

Mrs. Culp farms with the help of her one son still at home, John Allen while Mr. Culp works for the State Highway Department.

Both John Allen who graduated from Sharp High School this year and Donald Allen her older son who works in the Chemistry Laboratory of Alcoa are at the National Guard Camp this week and next.

Mrs. Culp is a very young grandmother and was excited about getting the historical nod as the first woman jury commissioner in Milam County.

Buckholts Schools Report Vacancies

The Buckholts Schools have vacancies reports Mrs. Ruby Arledge, superintendent, due in part to the resignation of Leon Brady who has accepted the principalship of Ada Henderson elementary School in Cameron.

Donald Henderson has resigned to teach in a College in Springfield Missouri.

Highway Excise Tax, Effective July On Heavy Transportation, Gas, Tire Little Phillies Upset Dodgers In First Win

The Highway Revenue Act of 1956, effective July 1, 1956, was announced today by R. L. Phinney, District Director of Internal Revenue Service in Austin.

This Act increases the excise tax on gasoline, truck and bus chassis and bodies, truck and bus trailer or semi-trailer chassis and bodies, tractors of the same kind which are chiefly used for highway transportation with trailer or semi-trailer, and tires.

The floor stock imposed on those articles by the Act provides a floor stock tax to be reported by the dealer on or before October 15, 1956, on a return on Form 2265 shall be filed with, and payment of tax made to, the District Director of Internal Revenue. The return forms will be available in District Directors' offices by July 18, 1956.

A dealer for purposes of the floor stocks tax includes a wholesaler, jobber, distributor, or retailer.

The floor stocks tax is 1 cent a gallon and applies to gasoline which is held for sale at the first moment of July 1, 1956.

The floor stocks tax on the above vehicles is 2 percent of the price at which the vehicle (including the parts or accessories purchased by the dealer on, or in connection with, the vehicle) was purchased by the dealer who holds the vehicle for sale at the first moment of July 1, 1956. Alternatively, the dealer may compute his tax at 2 percent of the price at which the vehicle was sold by the manufacturer, producer, or importer, provided he is able to identify the manufacturer, producer, or importer and the price at which the vehicle was sold by the latter.

Mr. Phinney also called attention to the floor stocks tax of 3 cents a pound which will be applicable to tires of the type used on highway vehicles and to tread rubber.

Miss Shirley Ann Stoneking Is Bride Of Lt. C. D. McCall

Miss Shirley Ann Stoneking, daughter of C. D. and Mrs. Stella McCall of Cameron, recently be-

came the bride of Lieutenant Clarence David McCall, U.S. Navy with the betrothal in the Fort Ruger Chapel, with Chaplain Robert Wilson officiating. Jack Copeess a friend of the couple, escorted the bride to the altar.

White gladioli and chrysanthemums decorated the Chapel. The bride wore a ballerina length gown of white dotted Swiss nylon over light blue net with fitted bodice, bouffant skirt and matching bolero.

Her handkerchief, edged in Brussels lace was loaned by Mrs. Copeess, wife of the chaplain. She was the 27th bride to carry the handkerchief at her wedding.

The chapel length veil was of nylon tulle and was caught to a crown accented with seed pearls. As maid of honor, Miss Mary Tallman wore ballerina length blue dotted Swiss and carried a bouquet of yellow Dendrobium and hybrid Vanda orchids.

A reception was given at the Cannon Club, Fort Ruger. Lieutenant McCall is a pilot in the VR-8 Squadron at Hickman Air Force Base.

Mrs. McCall is a graduate of Iowa Methodist School of Nursing, and was employed at Children's Hospital.

Mr. and Mrs. B. M. McCord made a trip to Yoakum, Texas, Wednesday, July 4, where they visited in the home of her daughter and family, Mr. and Mrs. A. J. Rohan Jr. and daughters, Janis and Nancy.

To rig for diving in a modern submarine, the crew must conduct 225 individual operational and equipment checks.

There are over 800 Navy schools specializing in a multitude of subjects aimed at the education of the modern sailor.

The first air crossing of the Atlantic Ocean was made in 1919 by a Navy plane.

The world's largest operational seaplane is the Navy's MARS.

The world's dc nnssttipe aton flying record is held by Navy planes.

Little Phillies Upset Dodgers In First Win

A smashing upset was the standout in Monday night's games as the Phillies making their first win of the season defeated the Dodgers by a score of 16 to 13.

The Phillies were hungry for a win as they started out in the very first inning to score six times. They added three more in the fourth, but to be denied, fought back gamely but couldn't quite overcome the Phillies as they scored three in the first inning, two in the second and one in the third; four in the fourth and then three in the fifth.

In the first game of the double header the Pirates defeat the third inning and then exploded for seven the fourth inning. Cardinals in a well played game by a score of 12 to 2. The winning battery was B. Simmons pitching and Robinson was the catcher. For the losers it was E. Mees on the mound and Glenn Blake was behind the plate.

The Pirates scored three runs, in the second, three in the fourth and six in the fifth. The only time the Cardinals could score was in the fourth frame when they could muster only two runs.

Standings of the teams at this time are: PIRATES, played 3, won 3, lost 0; CARDINALS played 3, won 1, lost two; PHILLIES, played 3 and won 1, lost 2; DODGERS played 3, won one, lost 2.

Softball Teams Fight Hard For Leadership

Monday night, July 2, the four teams of the Texas League played two hard fought games.

In the first game of the night the Giants upset the Athletics by a score of 11 to 9. The Battery for the winning Giants John Josey, Catcher and Gerald Witt the pitcher. For the Athletics it was Ray Green catcing and "Chili" Williams the pitcher.

The Giants scored two runs in the first inning and then iced the game away when they scored five big runs in the third inning and four in the fifth.

The Athletics scored three runs

Eighty Million Gain In Tax Receipts In Austin District

Total tax receipts in the 111 counties of the Austin District shows a gain of 80 million for the fiscal year 1956 over fiscal year 1955.

R. L. Phinney, District Director in Austin, said that receipts for fiscal year 1956 amounted to \$1,270,000,000.00 as compared to \$1,190,000,000.00 for 1955. This represents an all time high for tax collections for this district. The previous high was for 1953 when \$1,250,000,000.00 was collected.

The biggest gain in various tax groups was the general income bracket which includes withholding taxes, individual income tax-

es and corporation taxes. The 1956 total ran some \$45 million ahead of 1955 Mr. Phinney added.

Mr. and Mrs. Nelson Davis have had as their guests this week H. B. Nelson and son, Bill of Lubbock and Mr. and Mrs. J. D. Price and Janice of Waco.

Allen and Douglas Linhorst visited with their cousins, John Robert and Nicky Caffey on Wednesday.

Mr. and Mrs. Floyd Hargrove of Austin visited with their daughter and son-in-law, Mr. and Mrs. Robert Ross, Wednesday Mrs. Hargrove will make a longer visit.

Dan and Reed Davis have been taking swimming lessons in "Cameron" the past two weeks.

Mrs. Ralph Caffey and Billy Earl were guests at a barbecue dinner Wednesday at the Arnold Doss home in Gay Hill.

Mr. and Mrs. Johnny Lee Persky and Darlyn and Linda of Ft. Worth were dinner guests Thursday in the home of his aunt, Mrs. E. J. Rinn.

The origin of sailors' neckerchiefs is that back in the early days all sailors wore a braided pigtail well greased to make it still. A bandana was worn to protect the coat collar.

The minimum age for retirement from the Navy is 37½ years and one day.

News From Sharp

MRS. FLORENCE SPIEGEL

Mr. and Mrs. Sam Bean and granddaughter, Ann Bean, have returned to Henderson, Tenn. after visiting the George and Frank Gamble families here and the Henry Gamble family in San Antonio.

Mr. and Mrs. Floyd Holder were here from Houston, Thursday to visit with their uncle and aunt, Mr. and Mrs. J. K. Dunham.

Mr. and Mrs. L. A. Petty and Sue, Mr. and Mrs. Marvin Petty and Marilyn and Barbara Petty attended the John Raney, Sr. reunion at Stamford on Sunday. About 35 members of the family were present.

Mrs. L. A. Petty and Sue visited with Mrs. Petty's mother, Mrs. H. W. Massengale on Friday.

The water supply in Sharp is getting critical. All wells are low. Some are dry.

During the War of 1812 a blow-me-down sailor, Captain Sam Reid, blew up a British invasion fleet bound for New Orleans. This daring attack delayed the enemy fleet long enough to cost the enemy Louisiana.

A modern submarine can fully submerge in less than 1 minute. Once submerged, it can travel faster than on the surface.

They report an enjoyable trip but insist they prefer Texas.

ICE-SERVER REFRIGERATOR

Serves  ONE ice cube at a time or a BUCKETFUL

Only Gas Servel freezes ice cubes without trays and replaces all you take, automatically! Just reach in... help yourself! No trays to fill, spill, forget to re-fill!

Actually 3 great appliances in 1!

1 AUTOMATIC ICE-SERVER Think of it! All you do is reach for the ice. Serving basket is always filled. Nothing for you to do. It's handy... it's automatic... and you have no bothersome trays!

2 SPACIOUS FREEZER A big 70 pound home freezer right in your Gas Servel refrigerator! You save money too, by planning, buying, cooking ahead. Separate freezing system keeps everything at perfect zero-cold.

3 AUTOMATIC DEFROSTING REFRIGERATOR Your defrosting problems are over! Exclusive Servel "Frostender" defrosts automatically! Completely care-free! Just one more of the automatic features of the Gas Servel, today's completely automatic refrigerator!

COMPLETELY AUTOMATIC

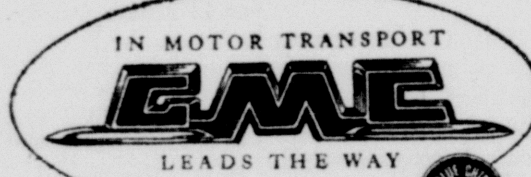

Makes every other refrigerator old-fashioned — the day you buy it!

Gas Servel gives you the only completely automatic refrigerator — the only one that's really modern, really automatic! No wonder it makes all other refrigerators old-fashioned. See the exciting new Ice-Server — and other automatic features in the new Servel Gas refrigerators today!

Only a GAS Servel gives a **TEN YEAR WARRANTY** Five years longer than for any other refrigerator!

Step up to a **Servel GAS REFRIGERATOR AND SAVE!**

At **LONE STAR GAS COMPANY**

Your key to Blue Chip value

Now-GMC gives you a bonus of up to 3 gallons in every tankful!

TALK about low-cost GMC ownership! With its new high-ratio cruising axle, a Blue Chip GMC pickup now gives you up to 17.8% better gas mileage. That's 3 gallons' worth of bonus miles in every filling!

And you get far better road speeds, too, from an easy-stroking, unstrained engine. In short, from a mere \$10.50 axle option, GMC now gives you the advantages of a \$125 overdrive.

Add this to the super-efficiency of a GMC

180 hp V8 engine — to the moneysaving advantages of Hydra-Matic Drive® — and this fact is clear:

The operation and maintenance savings of Blue Chip features can bring the over-all cost of a half-ton GMC down to the level of — or below — the cheapest stripped-model truck on the market.

Come in today — for the rest of the story.

*Optional at moderate extra cost

John White Maps Bill To Protect Texas Farmers

New legislation to provide greater protection for the Texas farm industry is being planned by Agriculture Commissioner John C. White.

Commissioner White is conducting a series of conferences with farmers and agricultural industry men over the state, mapping out proposals for submission to the Texas Legislature next year.

"My purpose is to let the farmers set up their own future goals and outline their needs", White said. "The Department of Agriculture will inaugurate programs on a self-supporting basis, eliminating the need for additional tax money from the state."

A major part of Commissioner White's departmental expenses are self-provided by fees for services rendered.

"This is the only practical way to adequately cover the increased demand for new services to agriculture in the state", said White.

The Commissioner, who is seeking re-election to the top agricultural job in Texas, pointed out that activities of his department have been expanded 400 percent since he first took office five years ago. Yet by putting the costs on a self-supporting plan, the burden of expense is kept from the shoulders of the taxpayers.

"My major concern is to improve our farmers' and ranchmen's economic outlook in these critical drought years", White said. "Our farm industry must have every opportunity to help itself pull out of the current slump."

Houston Editorial Recommends Ramsey For Re-election

Ben Ramsey has few of the mannerisms of the typical political career man says an editorial in the Houston Chronicle.

One outstanding attribute, above all other, apparently has made Ramsey a political success. That is his ability to generate loyalty among those who work with him or know him well. From these categories come his strongest supporters.

He is one of the most experienced men now in state government. He served two terms in the Texas House of Representatives, from his native district of San Augustine, then was elected to the Texas Senate. After two terms in the Senate, he was appointed secretary of state by the late Beauford Jester and continued in the office when Allan Shivers became governor.

Ramsey resigned as secretary of state in 1950 to run for lieutenant governor. He has been re-elected each two years since. This year he is seeking re-election to a fourth term.

The principal duty of the lieutenant governor is to preside over the Senate. In this capacity he wields strong influence on all legislation. Ramsey has been praised by members of the Senate for his fairness in presiding.

The Houston Chronicle summed all this up in favor of incumbent Ramsey and found that it is "In the best interests of the state" to re-elect Ben Ramsey lieutenant governor.

INTRODUCING...

Phyllis Denise, seven pound, twelve ounce daughter of Mr. and Mrs. Phillip D. McCall arrived on July 4.

Maternal grandparents are Mr. and Mrs. Ray Shumate of Cameron. Paternal grandparents are Mrs. Stella McCall and Clarence McCall of Cameron.

News From Yarellton

MRS. LENA RUSSELL

Visitors in the home of Mr. and Mrs. Jesse Gibbs last week were their nieces Becky and Jerry Fuller of Rockdale Texas.

The Milam Co Baptist Workers Conference met with the Yarellton Church as hostess last Monday, July 2, at 6 p.m. Bar-b-q. salad, pickles, baked beans and a sauce with cakes and tea and grape juice were served the 130 present at the supper hour.

A good program was rendered through out the evening with a goodby number of Pastors of the various churches present.

Mr. and Mrs. Charlie Barrett and children of Corpus spent the holidays with his mother and other relatives.

Mr. and Mrs. K. D. Griffin and family visited her parents, Mr. and Mrs. Homer Nabours and family Sunday P.M.

Mrs. Jennie Barrett has returned home after a visit with her son, Mr. Ed Barrett and wife at

★ News From Jones Prairie ★
Mrs. S. S. Hickman

Guests of Mr. and Mrs. T. B. Stidham last weekend were their daughter and family, Mr. and Mrs. Benny McGlothlin and daughters, Jean Ann and Mary Jane of Austin. Other guests in the Stidham home were Mr. and Mrs. Dwight Moody and children, Dwight Jr., Tom and Nancy of Cameron, Mr. and Mrs. P. H. Tindall of Calvert and Mr. and Mrs. Jack Stidham and children, Patsy and Jackie.

Mrs. S. M. Harrell and daughter Evelyn visited her daughter and family, Mr. and Mrs. C. W. Neal, Clyde and David of Angleton, several days last week. Clyde and David returned with them for a week's visit.

Rev. T. R. Gathright of McDade was the guest speaker at Little River Baptist Church last Sunday and was a dinner guest of Mrs. A. and Miss Ethel McKinney.

Mr. and Mrs. O. T. Canady had as their recent guests, Mr. and Mrs. Lyndal Canady and children, Bobbie Jean and Donald of Pasadena; Mesdames C. L. Scoll, J. F. Wilburn, Tessie Bills of Palestine, and Miss Shelia Carille of Lubbock.

R. O. Harper of Freeport visited Mr. and Mrs. J. H. Burnett and other friends here recently. Mrs. Burnett's sister, Mrs. C. W. Adams of Houston is also a guest in the home.

Mr. and Mrs. Thomas Yager of New Orleans, La., were recent guests of their parents, Mr. and Mrs. E. B. Yager, Pamela and

Jeanne returned with their parents after a week's visit with their grandparents.

James Fontaine is spending a two weeks vacation with Mr. and Mrs. Howard McLerran and Lee Pattillo of Houston, and Mr. and Mrs. Billy Fontaine of Beaumont.

Mr. and Mrs. Rex B. Jones and daughter Tish of Waco, spent several days at their ranch home here recently.

Mrs. Ben Massengale and daughter, Barbara were recent guests of Mrs. Massengale's daughter, Mrs. Bernard White.

Mrs. E. P. Gill of Corpus Christi Mrs. T. A. Fluitte and son Tommy of Edenburg and Miss Lois Lowman of Robstown were recent guests of Mrs. S. S. Hickman. The group attended the homecoming at the Liberty Church.

Mr. and Mrs. Frank Douglas and family of Dallas spent last Monday night with Mr. and Mrs. R. K. Fontaine.

**Aggie Football
Ducats On Sale
At A&M Office**

Applications for Texas Aggie football tickets are now being accepted by the A&M athletic office. Deadline for top priority season book purchases is July 31st. Applications must either be received by the athletic office by that date or postmarked by midnight of July 31st.

Season ticket price is \$14 for the four home games with Villanova, TCU, Arkansas and Rice. Single game tickets for all Aggie games are \$3.50 with the exception of the LSU game at Baton Rouge, Sept. 29. Tickets to this game are \$3.75.

Top priority will not apply to single game tickets except on games away from home when season books are purchased.

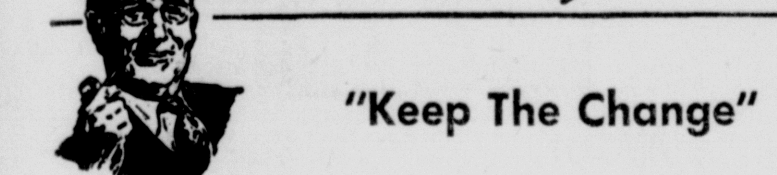

A limited number of options are still available at the A&M athletic office. These purchases enable the option holder to a 30-yard line seat or better in the new addition until 1973.

A&M, runner-up to TCU in the Southwest conference last year, opens the 1956 season at home against Villanova on Sept. 22. Other home games are with TCU Oct. 20, Arkansas Nov. 3 and Rice, Nov. 17.

For ticket information call or write the A&M athletic department, College Station, Texas. Ph. VI 6-4768.

Joe Marsh

From where I sit... by Joe Marsh

"Keep The Change"

If you've seen "Mac" Johnson this week, chances are he's told you his waitress story. For those who haven't heard:

"Mac" recently stopped at an out-of-town diner. He ordered the chef's special—and his waitress (brand new on the job) made every possible mistake. She confused the order, spilled the soup, dropped the rolls, brought him a wrong dessert.

Despite it all, "Mac" left a substantial tip. But she smiled and handed the money back. "Keep it, Mister—you've sure earned

it more than I have," she said.

From where I sit, that girl deserves credit for admitting her shortcomings—something not everyone is big enough to do. For instance, I'm convinced lots of folks know they're wrong when they deny me the right to a glass of beer with my supper... just because they happen to prefer some other beverage. They wouldn't like me ordering them to accept my choice.

Copyright, 1956, United States Brewers Foundation

**Whirlwind Guard
Campaign Seeks
10,000 Strength**

A whirlwind recruiting campaign to add 1,000 men to the rolls of the Texas National Guard 49th (Lone Star) Armored Division has moved into its final stages.

The goal of the campaign is to increase the division's strength to 10,000 men by the time the unit begins its annual summer training program at Fort Hood, July 8-22.

The campaign is the "10 for 10" drive in observance of the division's 10th year of activation.

Recruiters are attempting to enlist young men between the ages of 17 and 18½ who, under the Reserve Forces Act of 1955 have an eight year military obligation to their country.

On the other hand, the division is seeking men up to 35, whether they have had military experience or not.

Major Gen. Albert Sidney Johnson, division commander, has labeled the campaign as top priority for the 49th Armored Division.

"The Congress has recognized the need for a strong reserve of trained men to protect the country in time of national emergency," declared General Johnson adding:

"Only through service in a

ceived by the athletic office by that date or postmarked by midnight of July 31st.

Season ticket price is \$14 for the four home games with Villanova, TCU, Arkansas and Rice. Single game tickets for all Aggie games are \$3.50 with the exception of the LSU game at Baton Rouge, Sept. 29. Tickets to this game are \$3.75.

Top priority will not apply to single game tickets except on games away from home when season books are purchased.

Joe Marsh

strong National Guard unit can our young men of today be adequately trained and prepared in event of a national emergency.

"A trained reserve is essential to the defense of our country. The 49th Armored Division, fully equipped and armed, offers young men the opportunity to prepare themselves."

The 49th Armored Division offers numerous opportunities and advantages to young men.

First, they can join the division and train at their home town armories, spending only two hours each week plus a two week training program each summer.

They draw pay for training. Each two hour training period equals a regular day's pay.

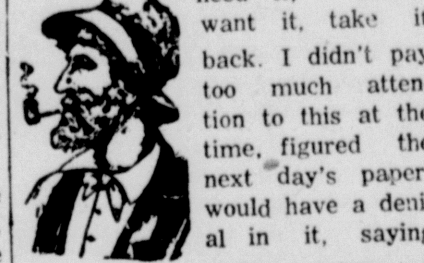

**LITTLE RIVER PHILOSOPHER
WANTS SURPLUS MONEY VOTED
FOR DEFENSE DEPT. DEPOSITED IN SOIL BANK.**

Editor's note: The Little River Philosopher on his Johnson grass farm on Little River discusses banking this week, a subject he's invariably confused on.

Dear editor:

Sometimes you have to read some news out of Washington two or three times before it soaks in.

The other day I read where Congress had voted 800 million dollars for the air force to build more jet bombers and Defense Secretary Wilson said he didn't

need it, didn't want it, take it back. I didn't pay too much attention to this at the time, figured the next day's paper would have a denial in it, saying

Sec. Wilson had been misquoted again. But as luck would have it, I got hold of a paper the next day and sure enough, Sec. Wilson was still resisting that 800 million, and a few days later I got hold of still another paper, somebody had used it to wrap up a piece of ice and while it was pulpy and a little hard to read, I managed to find out it was a fact, one department in Washington was actually complaining because Congress had voted it too much money.

I can't understand this, I know it's been hot in Washington, the same as it has here, but this is the worst effect of the heat I've ever seen.

At any rate, I've been thinking. As I understand it, Sec. Wilson says he will have to accept the money, but that since the defense department has no use for it now he'll put it in the bank.

Now here's my point. He didn't say what bank, and I was just wondering, why couldn't he put it in the Soil Bank? As I understand it, the Soil Bank is turning out sort of like some other phases of banking. That is, occasionally a bank will advertise that it has money to loan, but when I go in and inquire about it, the story is a little different from what I had hoped for. The size of the loan, and its terms, fall considerably short of what my situation demands.

This Soil Bank sounds fine, but when they get down to the size of the check they can write out for you, the story is a little different.

Yours faithfully,
J. A.

**WHEAT QUOTA VOTE
COMING UP**

Friday, July 20, is the date when growers will determine how they want to market their 1957 wheat crop. Hubert L. McClaren, Chairman of the Milam County Agricultural Stabilization and Conservation Committee, reminded farmers today.

Farmers who will harvest more than 15 acres of wheat as grain on a farm in 1957 are eligible to cast ballots in the wheat quota referendum. For the purpose of the referendum there will be only one polling place, which will be in the Milam County ASC Office in Cameron.

A two-thirds favorable vote will mean that marketing quotas and penalties on excess wheat will be in effect for the 1957 wheat crop. Under quotas, too, price support to growers in the commercial area who comply with their wheat acreage allotments will be at the full level available - between 75 and 90 percent of parity.

If more than one-third of the growers voting disapprove quotas, the quotas will not be in effect, and the available price support on the 1957 wheat crop to those who comply with farm wheat acreage allotments will be at a level of 50 percent of parity.

When a marketing quota program is in effect, the excess

wheat of a grower who does not comply with his farm wheat acreage allotment and who has more than 15 acres of wheat for harvest as grain on the farm will be subject to a marketing quota penalty. This penalty will be equal to 45 percent of the May 1, 1957 parity price for wheat.

Chairman McClaren emphasized that the vote is on wheat marketing quotas and not wheat allotments. Whether or not the vote is favorable on the quotas, acreage allotments will be in effect for the 1957 wheat crop.

Marketing quotas have been approved by growers voting in referendums for the past three wheat crops. Last year, 77.3 percent of the growers voting favored quotas for the 1956 crop.

**Hubert L. McClaren
Explains Soil Bank
Reserve Program**

**Acreage Reserve Yields
Explained**

Regulations determining when "normal" yields and when "appraised" yields will be used as the basis for payments under the 1956 Soil Bank Acreage Reserve Program were clarified today by Hubert L. McClaren, Chairman of the County Agricultural Stabilization and Conservation Committee.

"The simple way to remember this is to associate normal yields with underplanting", the Chairman said. "The regulations require the County Committee to base payments on normal yields for acreage placed under the Acreage Reserve by underplanting this year. This means that farmers who participate in the program by underplanting are assured of payments based on normal crop yields."

In cases where land qualified for the Acreage Reserve through crop destruction due to natural causes such as flood, or drought, or where it is plowed, or otherwise physically incorporated into the soil, or where it is clipped, moved or cut before harvest, the regulations require the county committee to appraise the yield that would have resulted had the land remained in production under conditions existing this year. This appraised yield must be compared

**Cameron Co-eds
At T.S.C.W. Cited
For Honor Status**

Names of students on the Special Honor Roll of the Texas State College for Women for the second semester of 1955-56 have been

announced by Dr. V. L. Wharton, dean of the College.

Each student received a citation from Dr. Wharton congratulating her for her distinguished scholastic record.

The list includes two students from Cameron, Sara Esslinger, Box 429, and Mary Frances Hensley, Rt. 1.

Miss Esslinger is an English major and Miss Hensley, home economics. Both have completed their junior year at TSCW.

Mrs. John Rainey of Ft. Worth visited several days last week in the home of her aunt, Mrs. Frank Davis in Cameron.

Cameron A. S. G. Soil Bank Under Alva E. Sanders Doing "Land Office" Business

The Cameron office of Agricultural Stabilization and Conservation is in full swing on its Acreage Reserve Program commonly known as the "Soil Bank", and the customers are numerous.

Alva E. Sanders, the county office manager, says that he had little contemplated ever being a "Banker," but such is the case today and he is doing a "Land Office" business.

There are 12 in the office and 10 in the field at this time according to Banker Sanders.

Head Tellers are County Committeemen Hubert L. McClaren, H. L. Yager, and Weldon Gilchrist and they have the able assistance of Imelda Hanel, Leola Kobar, Marjorie Benesh, Joyce Probasek, Nan Hubert, Joyce McLain, Billie Nell Johnson, Wilma Jo Baldrige, Paul Dillon, J. B. Savenport, and George Fisher.

The '55 program says banker Sanders is designed only for 1955. Come January 1956 the long range program will take over.

To take the land out of production of surplus commodities is the aim of the program Sanders said. Any grasses or legumes may be planted on the land taken out but may not be grazed he explains.

This program, Sanders explained for the benefit of the uninformed who are not in the Soil business is a year to year program unlike the program which will follow. This second program will deal with Conservation Acreage and will provide for retirement of marginal land for from three to five years.

Grand Jury

forded all juries in and for Milam County.

The indictment follows:
THE HONORABLE JUDGE OF 20TH JUDICIAL COURT, MILAM COUNTY:

HONORABLE SIR:
We the undersigned members of the May, 1956, term of the Milam County Grand Jury do hereby wish to call the attention of the Court to the deplorable condition of the furniture and fixtures of the Jury Room used by this and other juries of this court.

The chairs particularly should be replaced—of the 13 chairs in the jury room, three collapsed during this session of the jury.

The beds, bed clothing and other fixtures are hardly fit for human occupancy.

The beds are much too close together to be conducive to good health conditions.

Insufficient ash trays are furnished.

Insufficient drinking water is supplied.

The toilet facilities are unsightly and unsanitary.

No janitor service was furnished during the three days we were in session.

To the knowledge of members of this jury these conditions have existed for years and many past juries have made complaints similar to these we are now making.

We request that action be taken to improve the facilities and comfort of Milam County's Jury Room immediately.

This was then signed by the members of the jury: W. L. McIntosh, foreman; Bill Gause; J. J. Matula; Elmo Rodenbeck; J. A. Henderson; R. A. Fisher; Milton S. Fuqua; H. E. McAtee; V. J. Hannon; E. W. Goldfarb; Gus Elley and Jack DuBois, secretary.

Judge O. D. Graham assured the jury of the awareness of the court on the need and pointed out that the need had been growing day by day throughout the years.

"We need better facilities desperately," he said and pointed out that a new courthouse might be

the only sure remedy for the condition.

The jury was recessed indefinitely with its term of court running until the Saturday before the first Monday in September.

Milam Drought

are practically a complete failure. Permanent pastures are burned up and have yielded less than 25 percent of normal. Dairy Cattle - Dairymen are hit hard. Milk flow is at a low ebb and herds are being culled drastically as well as cutting down on heifer replacements.

Beef Cattle - Owners are reducing herds because they cannot see sufficient feed in sight to even maintain herds until winter. Markets are depressed because of the large number of animals now being sold due to drought conditions.

As can be seen from these reports a critical condition exists. In order that Milam County farmers, dairymen, and ranchers will not have to further sacrifice their herds, we urge you to consider this request for an Emergency Feed Program at your earliest opportunity.

At present it is too dry to get sudan and hegar up and growing. Producers are having to feed grain now to maintain minimum breeding and replacements for their herds. The expense of feeding, drought conditions, and prices received for livestock has created a most serious situation which is getting worse every day. Conditions are generally worse in Milam County now than in 1954 when we were included in the drought program.

We, therefore, request the State Drought Committee to consider our request to include Milam County in the drought area. Any and all relief possible is needed now.

MILAM COUNTY
DROUGHT COMMITTEE

Peeps

bout nine one night a caller asked "Will you pick me up at blah blah address?" My dad answered "I've done gone to bed and put the car up..."

—O—

Bob Poage, in Belton on the Fourth was wound up in "Soil Bank." My friend, Gen Monroe, said why can't we working people have a "Toil Bank?" If I'd rather sleep for a couple of days instead of producing business why shouldn't I put those two days in the "Toil Bank?"

—O—

I got the cutest telephone call Tuesday. "I am Carol Ann Wilson and I'm calling for the Milam County Tuberculosis Association, will you please see that all your employees have their chest X-rayed?" Carol Ann is 8. Her mother is with the State Welfare Department.

—O—

Hooray we've made it. Milam has been officially embraced by none other than George Parr. The Duke of Duval has "approved" all candidates who are erstwhile Milam Countians. Just hope he doesn't incorporate us into Duval county.

When Jimmy, my 2½ year old nephew, takes a bath he really enjoys it almost as much as he does getting dirty. It was a big argument when I first tried to turn the valve to let the water out. I discovered if I first turned the water on and then opened the valve he was happy until the last drop drained from the tub...

"CAMERON'S LEADING NEWSPAPER SINCE 1860"

It brings to mind our economic set-up. We're happy to see it coming in even though it's going out faster. That boy, no doubt the smartest boy in the world, asked his grandmother to make a "Happy Birthday To You Cake," and then caught himself "Make a Happy Birthday To Me Cake."

—O—

Max McClaren, democratic chairman, is afraid nobody is going to vote. Are you? Call Max on 24 and tell him you are going to

vote. Johnny Andres will appreciate it too.

—O—

Jess Thompson, courthouse caretaker, was perusing his dead spots in the grass from the north-side entrance Tuesday. "I can't spot water them cause they's too many" he lamented.

Mrs. K. W. Moseley of Thornedale was a business visitor in Cameron Tuesday.

Grain Sorghum Inspection At Blackland Station

Hybrid grain sorghums will be the main feature of the Field Day which will be held Tuesday, July 24th, at the Blackland Experiment Station in Temple, beginning at 9 a.m. and will conclude before noon. Farmers in and around

Cameron will meet at the Courthouse in Cameron and leave at 7:45 a.m. Other groups from Milam County will probably leave from their various neighborhoods. No transportation will be furnished so that persons attending will be free to leave at any time during the morning.

Farmers will be informed on hybrids which are best adapted to this area. This phase of the program will be under the direction of J. W. Collier, station agronomist and Ben Spears, extension agronomist. Other highlights of the field day will include a discussion and tour of hybrid corn work. Hybrid corn work on the station is being conducted by J. W. Collier.

Several cotton varieties which are promising will be shown by Dr. Elton Cook, station agronomist. Best cotton defoliants for use in Central Texas will be discussed. Beef cattle recently taken off the grazing and placed in the

feed lot will be inspected. Pasture management practices will be shown where maximum grazing benefits are obtained in drought conditions. The field day will be sponsored by the Experiment Station, Extension Service and the Temple Chamber of Commerce. Local sponsor of the tour and in charge of arrangements is the Corps and Conservation Committee of the Chamber of Commerce, headed by J. D. Moore.
